Friday, April 29, 2022
11:00 a.m. – 3:00 p.m.

Tampa Bay Sporting Clays
10514 Ehren Cutoff
Land O' Lakes, FL 34639

If you're unfamiliar with sporting clays... to put it in a "shot shell", here's the definition we like to give - Sporting Clays, sometimes referred to as "Golf with a Shotgun" consists of a series of natural and unique shooting fields connected along a course trail. At each field (or station), teams of 4 attempt to shoot airborne clay targets simulating gamebird wingshooting. Scoring is easy -each target equals one point, the shooter with the most points wins.

Shooters must wear ear and eye protection at all times while on the course. Shooters will be required to sign a waiver the day of the event and abide by all the safety rules.

Don't own a gun? TBSC has a limited number of shotguns to rent. Everyone will receive basic safety training the day of the event. Don't worry if you've never shot clays before, there will be lots of experienced shooters on hand.
