Friday, October 30, 2020

11:00 a.m. – 3:00 p.m.

Tampa Bay Sporting Clays

10514 Ehren Cutoff

Land O' Lakes, FL 34639

If you're unfamiliar with sporting clays... to put it in a "shot shell", here's the definition we like to give - Sporting Clays, sometimes referred to as "Golf with a Shotgun" consists of a series of natural and unique shooting fields connected along a course trail. At each field (or station), teams of 4 attempt to shoot airborne clay targets simulating gamebird wingshooting. Scoring is easy -each target equals one point, the shooter with the most points wins.

Shooters must wear ear and eye protection at all times while on the course. Shooters will be required to sign a waiver the day of the event and abide by all the safety rules.

Don't own a gun? TBSC has a limited number of shotguns to rent. Everyone will receive basic safety training the day of the event. Don't worry if you've never shot clays before, there will be lots of experienced shooters on hand.

10th Annual Sporting Clays COVID-19 Safety Precautions

Safe COVID Networking = Shooting Guns with NAIOP!

We are excited to host our 10th Annual Sporting Clays event and are taking all necessary measures to ensure the safety of our guests, volunteers and staff. We are currently working with Tampa Bay Sporting Clays to deliver the fun tournament you are used to while keeping everyone safe!

Here are some of the precautions we are taking:

- 1. We are asking all shooters to wear a mask while in the pavilion and not actively eating or drinking.**
- 2. Shooters will be able to self-select a colored wrist band to note their preferences for social distancing.** *Sponsor these bands for \$300! Sponsorship includes your logo on the band.*

- 3. Instead of a buffet this year, we will provide box lunches for all attendees.** *Sponsor lunch for the shooters for \$750! Sponsorship includes company logo on each lunch.*

- 4. Additional Golf Carts available for rent.** Each team will be provided one golf cart for the shooting foursome. Shooters may walk the course (approx. ½ mile) if they prefer or teams may reserve an additional golf cart for \$45 in advance.
- 5. Ammo and scoring cards will be placed on the golf carts prior to your arrival.** We will contact each team prior to the shoot to confirm 12 or 20 gauge ammo (this can be modified on site if necessary or unknown prior to the day of the shoot). *Sponsor the Ammunition for \$750. Sponsorship includes company logo on ammunition boxes.*
- 6. Additionally, Tampa Bay Sporting Clays has taken the following actions to ensure your safety:**
 - More staff on-site for cleaning
 - Golf carts are sanitized between every group
 - Shooting keys and cart keys are sanitized after each use
 - We have hand sanitizer stations on the courses and at pavilion
 - Sinks are now located next to office to facilitate hand washing before/after shooting
